FUEL MANAGEMENT SYSTEMS

B.SMART

B.SMART MC BOX WITH B.SMART APP & CLOUD SOFTWARE

The B.SMART MC BOX is an app- and cloud-based, multi-site fuel management system for fleets of any size. Its two-hose platform connects to the B.SMART App for driver authentication and automatic transaction uploads. Its off-network design makes it easy to install and use while eliminating the need for IT. With no monthly fees, the B.SMART is a simple and cost-effective solution for any fleet.
