HOW DOES MASTERSITE HELP YOU SIMPLIFY MANAGEMENT?

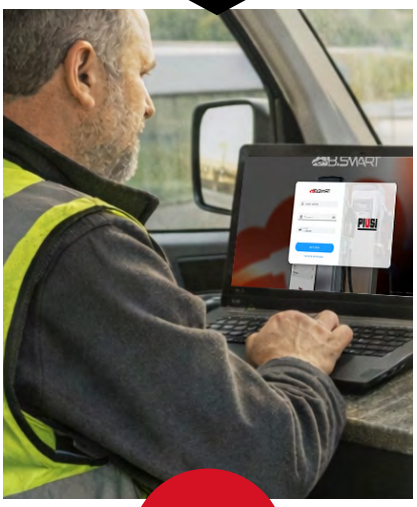

For those who manage rental contracts:

Less operational complexity

Open contracts with your customers in a simple and completely secure way

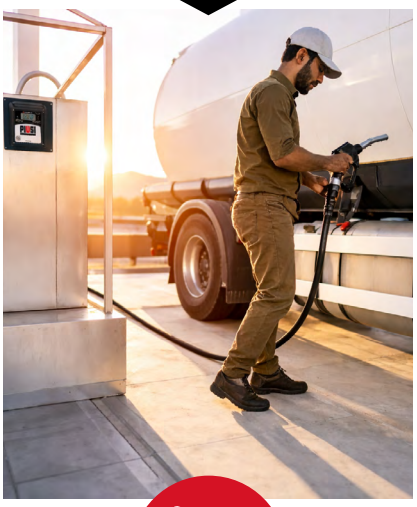

For those who manage rental logistics:

Maximum flexibility

When the tanks return, quickly perform the reset of the B.SMART pump in a simple and guided way.

For those who use the rental service:

More convenience

Dispense and use B.SMART directly with your tank, in a practical and efficient way.

Discover how B.Smart MasterSite can optimize the management of your fleet with a powerful fuel tank monitoring system.
